

ABOUT US The Red Lodge Nordic Center, in operation for over 25 years, is in partnership with, and is located on, Aspen Ridge Ranch. It is operated by Beartooth Recreational Trails Association, an all-volunteer non-profit organization.

TRAILS We have 15km of groomed trails for classic and skate skiing over moderate terrain. Our hills are challenging yet easy to avoid. The trails skirt meadows and wind through aspen groves. Enchanted Forest from Ski Shelter to Big Junction has solar lights for night skiing. No dogs, no snowshoeing.

EVENTS We host a variety of special events including ski clinics, moonlight skiing, kids programs, and race events. Check out our website for a current list of upcoming events.

LESSONS Lesson information is available at beartoothtrails.org.
